1. Legal statement

1.1 Terms and conditions of use

1. In these Terms and Conditions:

“Licensor” means Trinity Expert Systems; and

“Licensee” means the user of this Software.
2. Subject to the Licensee agreeing to these Terms and Conditions of use, the Licensor hereby grants the Licensee a non-exclusive licence to use this Software for its own business purposes upon the terms and subject to the conditions of these Terms and Conditions. Except as permitted by law, the Licensee will not copy, sell, rent or otherwise distribute this Software without the prior written permission of the Licensor.
3. This Software is provided free of charge and “as is” with no representation, guarantee or warranty of any kind as to its functionality and/or performance. The Licensor hereby excludes to the fullest extent permissible in law, all conditions, warranties (including without limitation any warranty that the Software will meet the Licensee’s requirements and/or that its operation will be uninterrupted or error free) and stipulations, express (other than those set out in this Licence) or implied, statutory, customary or otherwise which, but for such exclusion, would or might subsist in favour of the Licensee. Except as set out in these Terms and Conditions the Licensee assumes the entire risk as to the quality and/or performance of the Software.
4. The Licensor does not exclude its liability (if any) to the Licensee (i) for breach of the Licensor’s obligations arising under section 12 Sale of Goods Act 1979 or section 2 Supply of Goods and Services Act 1982, (ii) for personal injury or death resulting from the Licensor’s negligence, (iii) under section 2(3) Consumer Protection Act 1987 (iv) for fraud, or (v) for any matter for which it would be illegal for the Licensor to exclude or to attempt to exclude its liability.
5. Subject to paragraph 4 above, the Licensor will be under no liability to the Licensee whatsoever (whether in contract, tort (including negligence), breach of statutory duty, restitution or otherwise) for any loss or damage whether direct, indirect or consequential (all three of which terms include, without limitation, pure economic loss, loss of profits, loss of business, loss of data, loss of savings, depletion of goodwill and like loss) howsoever caused arising out of or in connection with the Software and/or any use made of the Software.
6. These Terms and Conditions will be construed in accordance with English Law and subject to the jurisdiction of the English Courts.
